Atelier Policies / Disclaimers

Enrollment Policy:

Students may enroll for four week workshops, eight classes or twelve week semesters. A decision to extend enrollment from a four or eight week session into a full twelve week semester will be prorated at the semester fee schedule if there is room in the class. We enroll a maximum of six students per class.

Decisions to extend or re-enroll are as follows: 4 wk. workshop – at second class / 8 wk. class – at fifth class / 12 wk. semester – at eighth class

Attendance Policy:

There are no guaranteed make-ups or refunds if a student cannot attend a regularly scheduled class. We will try and grant make-ups and class substitutions only if there is room in another class. If you know ahead of time that you will not be attending your class please let us know so your time can be used by another student as make-up time. Again, make-ups are not guaranteed. We do our best to accommodate everyone whenever it is possible. Make-up time can only be granted during the session you are enrolled in. Classes cancelled or delayed by Sculpture Barn due to inclement weather, illness, and conditions beyond our control will be rescheduled whenever possible but are not guaranteed.

Withdrawal policy

Only if a student withdraws for a medical emergency may a prorated tuition credit be granted. This credit would be valid for one year after withdrawal and must be used within that time. If a student has paid a deposit and withdrawals for whatever reason no later than two weeks prior to the start of class a full refund/credit will be granted less the \$100 registration fee if withdrawal cannot be replaced by another student.

Atelier Creed:

I understand that during my workshop time at the Sculpture Barn I will be working with dangerous equipment and materials and I vow to wear protective gear while I am in Master Sculptor David Boyajian's Atelier

I understand that ongoing participation consists of but is not limited to my ability to operate machinery, welders, hand tools etc... safely and to do so with respect to the group harmony of the class and also with reverence to the Master Sculptor and his ownership/leadership.

I agree to disclose any medical condition I have or have had recently and any medication I may be taking for my condition. You may be requested to bring in a doctor's note stating your medical eligibility to work in the metal sculpture environment. Sculpture Barn reserves the right to refuse enrollment or the continuation of any student enrolled in Master Sculptor David Boyajian's Atelier program for any reason.

I agree to let the Sculpture Barn use any photo image taken of me while creating work in progress for public relation purposes.

I agree to indemnify and hold harmless David Boyajian and Sculpture Barn from any accidental injury that may occur to me while I am working in his studio.
